

5ELEMENTALS AROMATHERAPY FUNDRAISERS

Fundraising is not always a simple task. Let us make it just a little easier for you with a truly different kind of fundraiser—Aromatherapy soy candles and sprays!

Our fundraisers are fast becoming a very popular way to raise funds for your school, church, group or organization. Most people already purchase candles and fragrances for their homes, offices, or as gift selections for friends and family, and products that are natural and environmentally conscious are becoming more and more important to people. Why not offer them our **wonderfully scented, eco-friendly, health oriented and all natural soy candle and aromatherapy products** for your fundraiser project this year—and make a decent profit for a change?

5Elementals Aromatherapy Products offers you the following:

Free Flyers and Order Forms: All flyers and order forms are provided at no cost to your school, church or organization. You simply let us know how many you need and we will print them for you. They are also available as a PDF.

Low Minimum Order Requirements: 5Elementals Aromatherapy has a low minimum order of \$100 for wholesale orders.

Candle & Oils Prices: 5Elementals Aromatherapy Products are reasonably priced and are competitive with other candle fundraising programs. You pay *less than wholesale pricing* for the products offered **and** your customers will pay you the retail pricing at 100% markup. We also work the cost of HST into the price of the products.

Immediate Payment For Your Group: Your customers will make payment at the time their order is placed with your participants. All cheques or money orders should be made out to your school, church or organization. All orders and money collected are turned into your fundraising director. 50% of all money collected is then sent to 5Elementals Aromatherapy (in the form of a business cheque, money order, or credit card) along with your order forms. Your organization retains 50% of all money collected. You receive your profits ***immediately*** - no waiting to receive a cheque.

Delivery: By using 5Elementals Aromatherapy as your fundraiser, we offer FREE delivery on all your candle and scent orders.

All of our candles and aromatherapy products are hand-poured at the time of your order. On average, depending on the volume ordered, you can expect your products to be shipped or delivered within 1 - 2 weeks after all orders have been received.
