SPA MOOD ESSENTIAL OIL MIST SPRAYS—50 ML

5Elements uses only the finest botanical ingredients to create these lovingly handcrafted healing blends. Simple and effective, we use natural spring water and the highest quality 100% therapeutic grade essential oils to create a healthy and Environmentally friendly natural mist. They may be used as a room spray, linen spray or as a refreshing body mist. A couple of sprays goes a long way!

Our aromatherapy sprays are not only convenient and revitalizing, but are a sensational way to pamper your home, yourself and your loved ones. Each Aroma Spray comes in a 50 ml amber glass bottle with fine mist sprayer. They can be refilled with essential oils and spring water too!
